

THE CHARTERED INSTITUTE OF BANKERS OF NIGERIA

COMPULSORY CONTINUING PROFESSIONAL DEVELOPMENT

# Credit Risk Management in Financial Institutions

## Background

The Financial Services landscape is ever evolving and rapidly changing especially with the sophistication of technology, globalisation and stiffer regulatory regime. Practitioners of today will have to contend with these changes and as a matter of obligation commit to lifelong - learning, Continuous training and re-training as a life style to keep abreast of happenings in the industry and remain relevant.

The Chartered Institute of Bankers of Nigeria as the umbrella body for all banks and bankers in recognition of the need for Continuous Professional Development provides a path for its members to regularly update their knowledge and skills, for the benefit of the organisation they work for and their individual development.

It is on this foundation that the Institute has specifically designed this programme on Credit Risk Management in Financial Institutions which is value packed and a must attended programme to provide members with a good understanding of credit risks and contemporary methods available for measuring and managing them effectively to make profit.
