

CIBN LIBRARY

The CIBN library was established to cater for the research and academic interest of members of the Institute and the larger academic society. Apart from primary objectives, which makes it a special library, the library has the secondary objectives of providing efficient modern library services to the public on a wide range of subjects. It is a resource centre for information seeking academicians, students, scholars, professionals and resource persons.

Over the years, the Library has been providing the information, research and aesthetic needs of people by acquiring materials to match varying reading interest. Towards this, the library has the goal of affecting the reading culture of Nigerians positively.

The Library is suitably located at No 7 Turton street, Sabo Yaba Lagos Nigeria; a relatively serene area of minimal activity which makes it a relatively noise-free zone. The location is central, being in Lagos Mainland.

Facilities

Apart from being located in a naturally quiet environment, the Library boasts of other facilities such as:

- Spacious Environment
- Adequate Parking Space for Vehicle Users
